PROMAT 2017.

EVERYTHING FOR PROJECTS AND RENOVATIONS.

Promat 2017 has been established. From 22 to 24 February, Feria Valencia is launching a new 100% professional salon specialising in materials, technology and solutions for decoration, interior design and contract projects. This is a new fair concept and gathering place where manufacturers of floors, wardrobes, doors, windows, panels, cladding, equipment and technology can present their latest innovations to sector professionals in an easy, simple and direct manner.

ALONG WITH CEVISAMA AND ESPACIO COCINA-SICI

A comprehensive range for projects. Promat 2007 is being held strategically alongside two highly specialised events, Cevisama and Espacio Cocina - SICI. The aim is to bring together the largest number of suppliers that work on any building, renovation, interior design and/or contract projects. This range will complement the already selection of tiles, ceramic coatings sanitation, bathrooms and kitchen furniture and fittings.

PARTICIPATE IN AN EASY AND COST-EFFECTIVE WAY...

The exhibition range of Promat 2017 is based on a convenient, easy and very cost-affordable participation format, without sacrificing exclusivity, for that purpose it has fitted out a range of "turnkey" stands with everything included (floors, décor, furniture, consumables, insurance, parking, electrical connections, storage and catering)

- 1 unit: 2.000 euros
- 2 units: 3.700 euros

...WITHOUT SACRIFICING EXCLUSIVITY.

Promat 2017 will be located at **Pavilion 8 of Feria Valencia**, directly connected with Espacio Cocina - SICI and with direct access to the pavilions where Cevisama is taking place. Furthermore, Promat 2017 will have its own separate entrance through the North Forum in order to speed up the visiting times of professionals. The pavilion will enjoy a carefully created setting and décor that is the same for all exhibitors.
